Dear Representative Desjarlais:

On behalf of our five million members across the country, the National Rifle Association Political Victory Fund (NRA-PVF) is proud to endorse your candidacy for the U.S. House of Representatives in the Republican primary in Tennessee's 4th Congressional District.

Based on your consistent and proven voting record on Second Amendment issues in the U.S. House of Representatives, you have earned an "A" rating from NRA-PVF in the August 7, 2014, Republican primary. An "A" rating is reserved for a solidly pro-gun legislator who has supported NRA positions on key votes.

Throughout your career, you have consistently opposed all attempts to ban lawfully-owned firearms and magazines, and have stood strong against President Obama and former New York City Mayor Michael Bloomberg's gun control agenda.

You cosponsored and voted for H.R. 3590, the Sportsmen's Heritage and Recreational Enhancement (SHARE) Act of 2013, a bill that would positively impact sportsmen throughout Tennessee and the country. Specifically, the SHARE Act would protect traditional hunting ammunition, open additional land access for hunting and fishing, and allow firearms to be legally carried on land managed by the Army Corps of Engineers.

In addition, you are a cosponsor of H.R. 2959, the National Right-to-Carry Reciprocity Act of 2013. This bill would ensure that law-abiding Americans with a valid concealed handgun permit would be able to carry their concealed firearm in any other state that does not prohibit concealed carry. You voted for a similar bill in 2011.

Congratulations on your "A" rating and endorsement, and thank you for your steadfast support of the Second Amendment. Good luck with your campaign, and we look forward to our continued relationship.

Sincerely,

A handwritten signature in black ink that reads "James J. Baker".
